SANDALS CADDIE SERVICES

A hallmark of the golf experience at our courses in Ocho Rios and Saint Lucia, having a caddy by your side is truly the best way to play the game.

Our professional caddies attend to much more than a series of tasks and serve as a personal on-course concierge. Placing a premium on finesse, imagination and shot-making, they create a remarkable and memorable game each round you play.

Our Caddies:

- Act as an on-course concierge to meet all needs, preferences and requests
- Have comprehensive course knowledge and history
- Provide attentive, first-class, yet unobtrusive service
- Read greens and provide accurate yardage to help lower your score
- Give strategy insight for each hole
- Navigate golfers through our scenic landscapes, including challenges such as dramatic angles, shifting elevations and tricky winds
- Handle basic duties: carry golf bags, clean balls and clubs, rake bunkers and traps, repair divots, tend to the pin, and locate shots.

*In Jamaica and Saint Lucia, caddy services are mandatory but not included.

Play Paradise • SANDALS EMERALD REEF GOLF CLUB, GREAT EXUMA, BAHAMAS

Named the Bahamas' Best Golf Course at the World Golf Awards, the Emerald Reef Golf Club boasts a magnificent Greg Norman design preserving the landscape's pristine beauty and natural barriers. Weaving the front nine through scenic mangroves, and spanning the back nine along Emerald Bay's stunning coast, this award-winning layout presents golfers with a new set of challenges each time they play. The course offers six signature holes that edge a rocky coastline with

spectacular ocean views and a breathtaking backdrop. The cooling trade winds keep players refreshed throughout their game, while the course's striking design presents a total test of will. Whether you are a low handicapper or steadily improving your skill level, this stunning course will bring a lifetime of memories.

PLAY PARADISE • SIX SIGNATURE OCEANSIDE HOLES

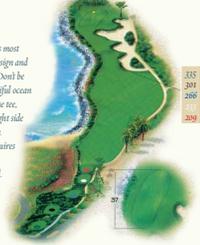

11 Par 3
148 134 122 106 93

Short par 3, but don't let that fool you. No room for error here. Remember, when it's breezy, swing easy. Punch shot not a bad idea here.

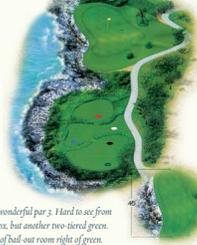

12 Par 4
418 406 384 350 327

Greg Norman's most difficult hole to design and a staff favorite. Don't be fooled by the beautiful ocean views. From the tee, aim middle to right side of fairway. Approach requires a well struck ball.

13 Par 3
122 110 103 90 80

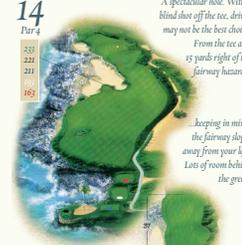

Another wonderful par 3. Hard to see from the tee box, but another two-tiered green. Plenty of ball-out room right of green.

14 Par 4
303 291 280 262 231

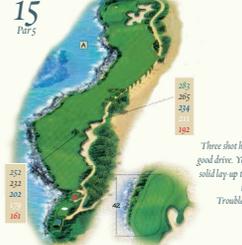

A spectacular hole. With a blind shot off the tee, driver may not be the best choice. From the tee aim 15 yards right of the fairway hazard...

Keeping in mind, the fairway slopes away from your left. Lots of room behind the green.

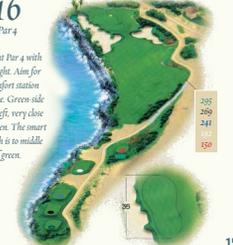

15 Par 5
572 553 529 506 483

Three shot hole without a good drive. You will need a solid lay-up to position for the approach. Trouble left of green.

16 Par 4
401 374 344 295 253

Excellent Par 4 with room right. Aim for the comfort station off the tee. Green side bunker left, very close to the green. The smart approach is to middle of green.

PLAY PARADISE • THREE SIGNATURE HOLES

6
Par 4

● 411 ○ 383 ● 305

1:203
2:234
3:157

"Merry Mex"
A dogleg right this hole plays slightly uphill. Avoid bunkers from the tee. The second shot requires more club than you think. But stay below the hole.

9
Par 4

● 373 ○ 365 ● 291

1:250
2:100
3:118

"Watering Hole"
A long carry over the pond on the right of the hole sets up a straight forward approach shot with a medium iron to a small green. Bunkers front left and behind make club selection critical.

11
Par 2

● 171 ○ 157 ● 132

"Postage Stamp"
A simple looking hole. Club selection on this long green is important but so is accuracy. The green falls away both left and right.
